**Exporta Publishing & Events Ltd** provides a complete information service for the global trade, commodity and export finance community – through our bi-monthly journal, Global Trade Review (GTR), via our regular news email service, our annual directory The GTR Directory, and with many focused and specialised conferences and workshops each year.

Exporta approaches the market from an objective and fresh perspective. We are an independent publishing house that understands the needs and issues facing practitioners in our market – the corporates, bankers, lawyers, insurers, brokers and others. Our experience and contact base within this market is unrivalled. We believe that focus and experience are the keys for delivering quality events and publications.
