

Media kit

The GTR Leaders in Trade awards and GTR Best Deals highlight excellence in the trade, commodity, supply chain, export finance and fintech markets.

Those interested in being considered for these awards must submit all the requested documentation in one streamlined process. *(Please see the guidelines for Leaders in Trade, and the submission criteria for Best Deals on the following pages.)*

We have introduced new rules with regards to length of submissions, so please ensure you are familiar with these.

GTR's journalists will use your submissions when reporting on the wins, so please do not include any confidential information.

The deadline for submissions is January 10, 2023 and no further submissions will be considered after this date.

Please email all submissions to awards@gtreview.com

Those involved in the winning deals will be notified of their success in February, and a full write-up of the Best Deals will appear in the Q2 2023 issue of **GTR**.

Leaders in Trade winners will be announced at GTR's annual awards dinner in London in May 2023. However, a shortlist will be announced and communicated to the market in February.

A full write-up of the Leaders in Trade winners will appear in the Q3 2023 issue of **GTR**.

Submit your entry for GTR Best Deals 2022

Deal submission criteria:

We invite institutions to submit a **maximum of 2 deals per type of transaction** – trade, commodity, supply chain, export (including project) finance and fintech innovation. (That's a maximum of 10 deals in total, please.) Winners will be spread across all of these categories.

Please note that client permission to disclose deal information must be obtained before submitting.

Deals submitted on a 'no names' basis or without loan amounts will be disqualified.

You must provide the following information:

- › **Date of signing:** the deal must have been closed and reached final signing within 2022 – not a day before or after
- › **Type of transaction:** deals must have trade, commodity, supply chain or export finance elements. Project finance deals can be submitted but will then be considered and judged on their export content as to their relevance and suitability
- › **Borrower**
- › **Loan amount** (essential information)
- › **Tenor**
- › **Lenders:** please list all lenders involved – not just your own institution
- › **Law firms**
- › **Insurers/ECAs**
- › **Pricing** (if possible)
- › **Regions/countries** in the deal
- › **Why should your deal win?** Please provide at least 200 words outlining what makes your deal better than all the rest. **Winning attributes include: large loan amount; length of tenor; number of institutions involved; novel methods of risk mitigation; unique structure; deal closed in face of severe political or economic barriers, etc**
