GTR  
**ASIA**  
2024 SINGAPORE

Marking its 15th year, GTR Asia will return to Singapore on September 3-4 2024 to once again deliver the leading event for Asia Pacific trade, following a record-breaking gathering in 2023 which saw participation from over 1,200 decision makers across the spheres of trade and supply chain finance, commodity finance, fintech and treasury.

Reflecting on what promises to be another momentous year in trade, over 100 expert speakers will address the full spectrum of global priorities across two days of debate and discussion on a wide range of issues and themes, from supply chain reorientation and the impact of free trade agreements to advances in digital trade, working capital pressures and effective strategies for optimisation, commodity security and changing approaches to sustainability.

Once again enjoying the support of the region's leading financial institutions and benefitting from close partnership with Singapore's government agencies and trade bodies, please join us once again at Marina Bay Sands for the industry's largest event from the unrivalled market leader in senior-level networking, thought-provoking content, vibrant debate and meaningful collaboration.

We look forward to seeing you there.
