Returning to London on June 10, GTR UK 2027 will bring together the UK's trade and export finance community for a focused day of insight, discussion and unrivalled networking opportunities.

Following a record-breaking attendance for 2026, the event will gather over 500 senior representatives from across the trade ecosystem, including corporates, SMEs, banks, non-bank financiers, insurers, fintechs, government bodies and industry experts, creating a vital forum for those supporting UK businesses in international markets.

As global trade and economic headwinds continue to evolve, GTR UK 2027 will provide a platform to examine the emerging opportunities and priorities shaping the future of trade and export finance. Through expert-led discussion, practical insight and thought-provoking debate, attendees will hear from over 50 distinguished speakers exploring how businesses and financiers can strengthen relationships, support growth, improve access to finance and respond to changing market conditions.

With a strong emphasis on connection and knowledge-sharing, GTR UK 2027 offers attendees the opportunity to receive expert insights, exchange perspectives with peers and build the partnerships needed to support trade in an increasingly dynamic global environment.

Don't miss the chance to join the UK's number one event for trade and export finance.
